# International Driving Permit

Thank you for your reservation.

Please bring any of the following driving permits for driving a car in Japan.

1. Japanese Driving Permit
2. International Driving Permit under the Geneva Convention
3. International Driving Permit which is issued by the following 5 countries and 1 area (Only the permit with a translated document in to Japanese)

< Switzerland · Germany · France · Italy · Belgium · Taiwan >

Please bring and show us any of these permits and passport on the day you rent a car.

And we are sorry that we can not rent out our car if you do not have any of them.

For reference, here is the content of the Geneva Convention.

## **VALID INTERNATIONAL DRIVING PERMIT IN JAPAN**

Only international driving permits issued by contracting countries and conforming to the model contained in the Convention at Geneva are valid in Japan.

Even though these international driving permits are issued by the contracting countries, they are not valid in Japan, if they are conforming to the model of the Convention at Vienna or other Convention. The Convention at Geneva: The International Convention relative to Road Traffic signed at Geneva on September 19, 1949. The Convention at Vienna: The International Convention relative to Road Traffic signed at Vienna on November 8, 1968.
